Seaborn
- Python library the makes visualizing data easier
- https://seaborn.pydata.org/

Bar Charts
- Depicts a value associated with a category
- Seaborn bar charts:
    - Barplot
    - Countplot
    - Pointplot
    - Catplot

Histograms
- Displays frequency distribution of a variable in a dataset
- Seaborn histograms
    - Histplot
    - Displot
    - Kdeplot
    - Rugplot
    - Ecdfplot
    - Jointplot

Scatterplots
- Shows the relationship between two quantitative variables
- Seaborn scatter plots
    - Scatterplot
    - Lineplot
    - Stripplot
    - Swarmplot
